

Reading Plan | Read along with us as we conclude our year-long focus on reading the New Testament. The focus is often overlooked parts of the Bible that bring invaluable nuggets of Biblical gold!

How you can read the Bible for more impact...

- Read Something. Because you have this, you have this part covered! Spend 5-10 minutes 3 times a week reading.
- Find a Life point. The Bible is about bringing Jesus' Life into us. As you read, what stands out to you about this passage? How does this passage bring you Life? I'd recommend writing it down.
- Pray for that Life point. When you're done, ask God how that Life point is to be put into your life.
